Scallop Cakes

Seared with flavor and crafted to impress.

Made with all-natural, premium quality Patagonian Scallops – boat dry and FAS – our scallop cakes deliver tender texture and rich, ocean-fresh flavor. These cakes can either be dressed up or dressed down.

Scallop Cakes

Innovation for your taste buds.

At the heart of our scallop cakes is a commitment to quality and creativity. Crafted with 70% premium Patagonian scallops and a handful of clean, simple ingredients, each bite delivers a rich, natural seafood flavor that stands out. Unlike conventional seafood cakes, ours offer a superior texture—tender, yet satisfying—and a golden, appetizing appearance that reflects the care behind every batch.

Ideal for back of house.

Add a scallop cake onto a steak, eggs benedict or salad to up-sell your current menu items, and save over an hour of labor in preparation, measuring and mixing per case.

Care every step of the way.

From shell to plate, we offer full vertical integration and traceability, from the depths of the ocean to your kitchen.
